President Q. M. Smith

DEDICATION

With grateful hearts we dedicate this MIDLANDER to our president and friend, Mr. Q. M. Smith, in recognition of the many great works he has accomplished for us during the three short years he has headed our college.

He is a man of foresight and unswerving purpose, always defending what he believes to be right. Having first weighed a question carefully he decides in favor of that which is best for our school. He is a man who by his sincerity of manner, his liberal expenditure of time, and his untiring efforts has promoted scholastic endeavors and student cooperation that cannot be surpassed on any college campus.

Cafeteria

*Many friendships begin and are
fostered over the cup.*

Training School

*Timidly we went forth to take our
first step in the realm of pedagogy.*

FOREWORD

With our fingers crossed and a catch in our breath we submit for your approval the 1941 MIDLANDER. We have tried by word and picture to put into this volume a cross section of campus life—its works, its aims, its successes.

In later years as you turn these pages, if you can recapture the spirit of friendliness and youth that pervades the campus, if you can recall with a chuckle the jaunts and capers of you and your fellow students, if you can live again your days at State Teachers College, this book will have fulfilled its aim.

Campus

A friendly smile to all we meet.

President's Home

*'Round about sound the soft voices of
school life, always heard, always
answered.*

Rutledge Hall
My home when away from home.

Jones Hall
*And the sounds resounded 'round
 and 'round.*

Library

*Place of peace and quiet
Where time is unnoticed in its passage*

Science Building

*We not only ask why—
We find out why.*

Rutledge Hall

Lyon Hall

*You sheltered me from the prevailing
elements.*

Administration Building

*The center of our campus, where we
met, and where we parted.*

Jones Hall

ADMINISTRATION

Q. M. SMITH, President

Some days we can see him walking about the campus, stopping to visit a class or laboratory session, watching the athletic teams in their daily practice, observing with interest the work of student employees, checking on the progress of student pilots. For these and other reasons we feel that our president has an active interest in students and student participation.

N. C. BEASLEY, Dean

When we go to him with our worries and troubles, his ready smile and understanding nature set us aright and make us feel that our troubles were not real ones in the first place. We shall remember his willing and helpful counsel long after we leave the campus.

ASSOCIATED

The Associated Student Body is an organization designed to acquaint its members with the principles of democracy. In our situation the college campus is a laboratory for the furtherance of these principles. Everyone is given, in a systematic fashion, the privilege of expressing his opinion and of offering constructive criticism. Self-development comes through self-direction.

One of the major aims of student government is to see that its activities reflect the attitude of a majority of its members. A great deal of the education one receives is outside the classroom. In fact, many believe that a great gap exists between college studies and college life. It is the duty of the Associated Student Body to eliminate this gap as far as possible.

Much progress has been made since the founding of our student government, but much remains to be done. We must not only work with our majority group, but we must reach the indifferent student more often and with a more lasting effect. When all of us work together we not only acquire strength and unity, but we experience a genuine pleasure and a sense of an honest effort put forth.

Undoubtedly, the best government is that which teaches us to govern ourselves. If, in our legal and social associations with each other here on the campus, we can

STUDENT BODY

impart to each other a sense of honest and respectful give and take; if we can evolve from each other's actions a little better self-control; if we can bring about in an ever greater number of students a spirit of honest self-confidence, then truly we are engaging in that fascinating job which should be the underlying purpose of every, single as well as group, action performed on this campus—the elevation of the individual personality.

Student government is a means, not an end. Let us not fail to utilize its possibilities.

CHARLES BROWN.

The Associated Student Body, which includes in its membership all students registered in the college, was organized in 1939. A year later its constitution was revised to provide for legislative, executive, and judicial branches which function after the manner of those of our national government.

For the excellent spirit which prevailed at the games this year, we owe our unlimited gratitude to our faithful cheerleaders. Through all types of weather they were on duty, doing their utmost for the team.

THE SEASON AT A GLANCE

The Raiders turned to the 1940 season with great anxiety. They had completed two disastrous seasons and were looking forward to surpassing their record of one win and one tie the previous year. As in 1939 they were forced again to become accustomed to a new system of play, since Coach Alley had been lost to Vanderbilt. But this did not handicap them greatly for Coach Midgett and his associates proved to be a very capable staff, one, as their record will show, well adapted in installing a new system to maximum perfection in the shortest time.

With an inexperienced squad consisting of fourteen sophomores, the Raiders worked hard during camp and were rewarded by victories over their first two rivals, the Jacksonville Teachers and the Austin Peay Governors. The third game could have been won easily, as the Raiders outplayed Memphis State but were forced to give in to a 14-7 score. They took their old rival Cumberland in the fourth game, but dropped the next three to Western Kentucky, Union, and Murray. The final game saw the Raiders rise to great heights in conquering the favored Eagles from Tennessee Tech.

This proved to be the Raiders' most successful season in three years as they racked up 108 points to their opponents' 71, and their success, under the conditions, should be a lasting tribute to the efforts of the coaches, and to the excellent spirit of the entire squad.

THE COACHING STAFF

Left to right—LINE COACH O. L. FREEMAN, ASSISTANT COACH NANCE JORDAN, HEAD COACH E. W. MIDGETT

RAIDERS OPEN WITH WIN OVER JACKSONVILLE

Playing their first game under Coach "Wink" Midgett, the Raiders ran roughshod over the Jacksonville, Alabama, Teachers before an opening crowd of 2,500. The score was 46-7.

The Raiders were off to a flying start, scoring in less than three minutes after Burney Tucker had carried the ball forty yards on a reverse to Jacksonville's eighty-yard line. On the next play Tucker went over for the score.

Again in the third, on the first play after the half, Tucker took the ball on the same play and travelled sixty-two yards without being touched.

The game was a runaway throughout.

RAIDERS VICTORIOUS

Bryant, Hudson, and Tucker scored two touchdowns each, and McDonald scored one on a pass from McCrory. McCrory's eye and toe were very accurate, missing only one extra point in four tries. Captain Elbert Patty was in fine shape, catching passes that seemed impossible.

RAIDERS BEAT AUSTIN PEAY

Continuing to show their ability to run up scores in a hurry, the Raiders took their second victim in as many starts by trouncing the Austin Peay Governors by the score of 35-6.

Early in the first quarter, with Bryant and McCrory alternating, the Raiders marched from mid-field to the Governors' ten-yard line. After an unsuccessful try at center, Bryant circled wide around right end for the first score. McCrory kicked the extra point and the Raiders led at the end of the first quarter, 7-0.

Again in the second Bryant and McCrory took turn about in carrying the ball from mid-field to the one-yard stripe. "Ugg" scored on the first attempt.

This sort of thing went on for the remainder of the game. By the time of the

CAPTAIN PATTY

IN EARLY GAMES

last whistle Bryant had scored two, Tucker one, Hudson one, McCrory one, and "Ugg" had kicked five extra points.

Greer, Patty, Watson, and Sarvis were best in the line for the Raiders with Toombs, Noles, Killebrew, and Price best for Austin Peay.

McCrory hits bull's-eye with first attempt

MEMPHIS STATE TAKES RAIDERS, 14-7

The Raiders, after winning their first two games, lost to Memphis State in a close game, 14-7.

After driving the ball on running plays to the Memphis forty-yard line, McCrory stepped back and tossed Tucker a ten-yard pass. Tucker took the pass on the run and side-stepped a group of Memphis players to go over the goal standing up. McCrory added the extra point.

The Raiders were able to keep the lead only a short while, however, for Watts on a fluke run carried the ball from the Memphis fifteen to the fifty-yard line. Two plays placed the ball on the Raider thirty-six. Lynch passed from the thirty-six to Watts over the goal line for Memphis' first touchdown. The extra point was good as the half ended.

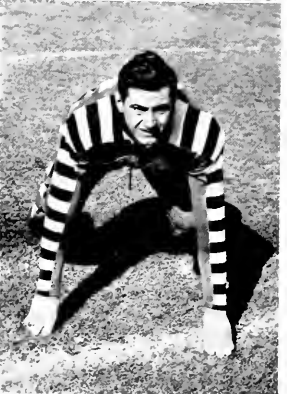

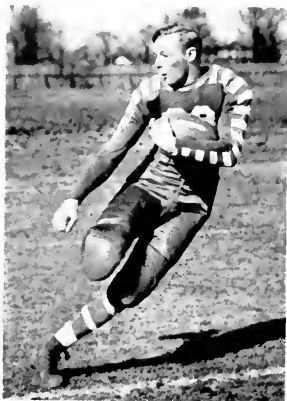

The second half saw Memphis pass over a tired Raider team for its final touchdown. The extra point from placement was good.

RAIDERS EASILY DEFEAT BULLDOGS BY 13-0 SCORE

The Raiders donned in their red, white, and blue uniforms waltzed to an easy 13-0 victory over their old rival, Cumberland University, before a large crowd on Jones Field.

The defeat was much worse than the score indicated in that the Raiders made seventeen first downs to two for the Bulldogs. These two came through penalties.

With the ball on the Raiders' forty-five, McCrory dropped back and shot a pass to Captain Elbert Patty who was downed on the five. On the next play Bryant went over for the first score.

McCrory scored the second touchdown on a line buck from the one-yard line. He also converted the extra point.

The game was hard fought with the Raiders finding plenty of trouble when they drove into Cumberland territory.

WESTERN RALLIES TO TAKE RAIDERS

The Raiders, filled with hope for a victory, hit the road for Western. Their hopes were to no avail, however, for the Hilltoppers turned them back to the tune of 13-0.

The first half was scoreless with the Raiders having a slight edge. It was the third quarter that saw Western block a punt and a couple of minutes later score. Due to the intense heat the Raiders weakened and allowed the Hilltoppers to score again in the last forty-five seconds on running plays. The extra point was made and the game ended.

The Raiders' stars were many with Smith, Scates, Hodges, and Bryant taking top honors.

RAIDERS LOSE TO UNION

The Raiders again lost a heartbreaker, being handicapped by injuries in the first quarter. They fought valiantly, but were unable to overcome the thirteen-point lead claimed by Union.

In the first quarter, after gaining forty-five yards on two plays, Perry, Union back, slipped a pass to Tipton, who ran into the end zone for the first score.

Coming back again in the second quarter the Bulldogs pulled another of their long range passes out of the bag and put the Raiders six more points behind. Willford, who had just run one of McCrory's punts back twenty-five yards, shot a fifteen-yard pass to Tipton on the five—it took five steps for him to score.

This was the roughest battle of the season. The entire Raider team played well, but just didn't have the punch at the right time.

MURRAY TOO STRONG FOR RAIDERS

The Raiders dropped the fourth game of the season to the highly touted Murray Thoroughbreds, 19-0.

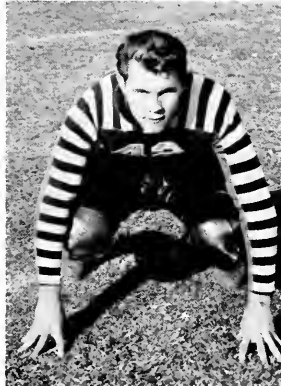

The Thoroughbreds, capitalizing on a passing attack, scored twice in the first quarter. The first score was made on a forty-yard pass from Grider to Levandocki in the first five minutes of play. The extra point was good.

The second touchdown was also scored through the air as Grider passed from the twenty to Fullback Lee in the end zone. The extra point was blocked.

A blocked punt on the Raider twenty-one set up the final touchdown for Murray. Coby Lee scored on a line buck from the Raider three-yard line.

The entire Raider squad played great ball but could not match the strength of the strong Thoroughbreds, who boasted one of the best teams the Raiders met.

HOME-COMING—THE

This year's home-coming can rightfully be termed a perfect ending. First, the bonfire was the peppiest and the hottest ever held. Following the bonfire was the dance, and did the students and alumni have fun chatting and swinging to the music of Lewis Brinkley and his orchestra? Next came the parade with bands, floats, yells, and the crowning of the King and Queen. After a get-together at the cafeteria, the early arrivals for the game enjoyed a high school band contest. This was sponsored by the "T" Club and was won by Columbia High School.

The day's height of perfection was reached when Coach Midgett's Raiders turned in a 6-0 win over the Eagles from Tennessee Tech.

The first quarter of the game saw the Eagles running up first downs, but unable to advance deep into Raider territory. However, they did get to the twenty-five-yard line where an attempted field goal was unsuccessful.

PERFECT ENDING

It was in the second quarter that the Raiders came into their own. After a Tech penalty had placed the ball on the Eagles' twenty-five-yard line, Burney Lee Tucker tossed a beautiful pass to Billy Burch over the goal line for the lone score of the game.

The second half was played mostly in mid-field with the Raiders outplaying the Eagles, except for the last few minutes of the game, when the Eagles made a futile drive to the Raiders' twenty-seven-yard line as the final whistle blew.

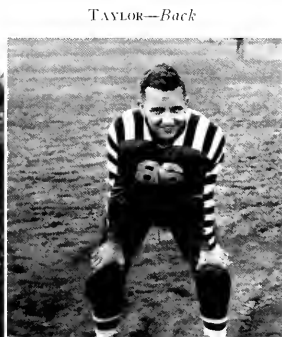

In summary—the game could be called one of the greatest ever held on Jones Field. Each player seemed to be at his best both mentally and physically, for not even a time out was called for injury. And best of all, the Raiders won, reaping sweet revenge for the season before.

Varsity Squad

First row—Tucker, Evans, Scates, Greer, Smith, and Watson.

Second row—McClintock, McDonald, Adamson, Burch, Hudson, Burton, Patty, and Hodges.

Back row—Chamberlain, Carothers, Gibson, McIntire, Davenport, Presley, and Bryant.

Seniors

Captain Elbert Patty

Three years of alert and rugged play at left end, combined with his ability to lead, won Elbert the captaincy his senior year. His leadership and inspiration led the team to its most successful season in three years. He will long be remembered as a brilliant captain as well as one of the best ends in the S. I. A. A. Conference.

Robert (Bob) Sarvis

Bob probably played more minutes of football than any other member of the squad, as he was regular tackle his entire career. He was consistent and ever dependable. His best year was as a junior, which saw him as one of the best tackles in recent Raider history.

Charlie Greer

"Chuck" could easily be called the Raiders' most versatile player. His freshman year was spent at end, his sophomore and junior years at halfback, and his senior year at tackle. It was at the latter position that he really found himself as he ended his football career as a great tackle.

Alternate Captain Tommy Hudson

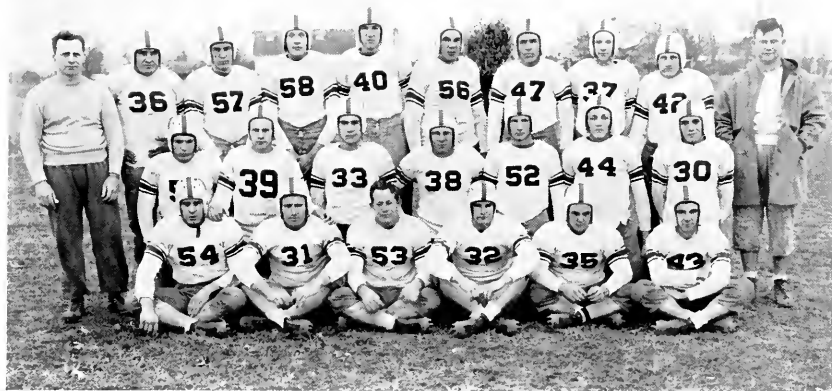

Tommy, the little man of the squad, played great ball as a freshman and sophomore. Changes in the Raiders' system or type of play called for larger men his junior and senior years. These, combined with a bad knee, kept him out quite a bit. However, his teammates thought him valuable enough to be their alternate captain. As captain he was a swell leader both on and off the field.

Bill Evans

Coming to S. T. C. without high school football experience, Bill worked hard and was rewarded by a regular guard position his junior year. His senior year was even better, as he ended his short football career as one of the Raiders' most valuable players.

Bill McCrory

In and out of school for six years, but never in and out as a Raider griddier, Bill will long be remembered as a smart, rugged, and talented fullback. He will best be remembered as a man who had a still greater ability, one seldom found—the ability to come back.

FRESHMAN SQUAD

First row—DAVIS, BAIN, TUCKER, FERRILL, RUSSELL, and McCULLOCK.

Second row—REED, YOUNG, WALDROP, BOSTICK, ELLIOTT, BRANDON, and BURKITT.

Back row—COACH KELLERMAN, D. SMARTT, M. SMARTT, GRAU, COLLINS, BROOKS, PHILLIPS, DEERE, NICHOLS, and COACH RUTHERFORD.

FRESHMAN SEASON

The freshman football team began the 1940 season under two new coaches. Coach Freeman had been elevated to the varsity squad. Replacing him were Mac Rutherford, who starred at center for the 1939 Raiders, and the Rev. Joseph (Jody) Kellerman, former quarterback for the University of the South. They proved to be very capable, for they led the boys to two wins and two ties in four attempts.

The frosh won the first game from the University of Tennessee Junior College by a 46-0 score. The freshmen were extremely efficient in the passing department during this game. Five of their seven touchdowns were from passes.

After trampling the Junior Vols, the Raider frosh ran into trouble with the Morgan Preps, being forced to score two touchdowns and one extra point in the last half to get even a 13-13 tie. Bain and Phillip scored the touchdowns, while Maury Smartt added the tying extra point.

With two regulars out of the lineup, the frosh could do no better than a scoreless tie with the T. P. I. freshmen. The frosh played gallantly, but were unable to push over a score.

The last game saw the frosh playing some of their best ball of the season as they rolled over Martin College, 19-0. The yearlings were off to an early lead when Reed grabbed a Martin pass and raced to the five-yard line. Bain went over from there for the first score. The second score came when Bain flipped Maury Smartt a pass that was good for thirty-five yards and a touchdown. The try for the extra point was good. The last score was a repetition of the second touchdown, except the play was good for fifty-five yards instead of thirty-five.

BASKETBALL

Schleicher hits for two points

The Raider basketeers under Coach Midgett, for the second year, ended a very dismal season, winning seven and losing fourteen games. Their misfortune, however, was not due to faulty coaching or lack of effort on the Raiders' part, but to a schedule that would have baffled any team in the South. The Raiders suffered dual defeats from Murray (runners-up in the National tournament); Western (S. I. A. A. champs); Delta (last year's runners-up in the National tournament); and the crack Austin Peay quintet. Of the remaining games the Raiders grabbed seven and lost six, losing one by one point and two in overtime periods.

The entire squad played fine basketball but failed to produce any outstanding players with the exception of Roger Brewington who lashed the nets for 192 points. Brew was slow starting, but averaged 15.6 points per game after he hit his stride. However early games pulled his average down to 10.3 for the season.

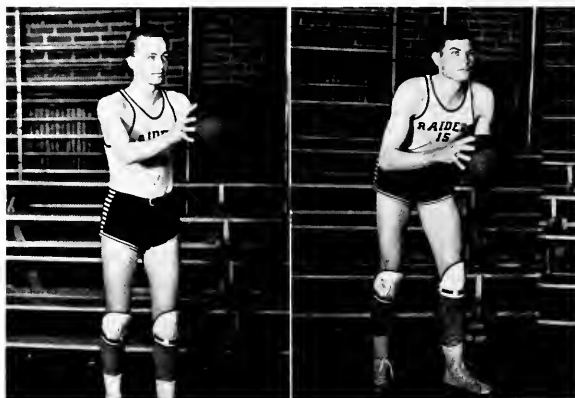

Unable to score as freely as "Brew," but contributing much to the Raider cause were

Captain Burford Turpin and Alternate Captain George Summers. Turpin played brilliantly and proved to be a fine leader until illness forced his retirement from the squad. George finished the season as captain and performed excellently both as a player and a leader.

Although the Raiders were unsuccessful in winning games, they should be greatly commended for their untiring efforts and their fine team spirit.

Moccasins catch Raiders off guard

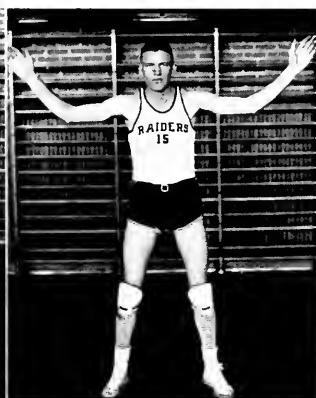

THUMBING THROUGH THE SCOREBOOK

We find the Raiders opening the season with a 31-30 victory over the Y. M. H. A. Peps in a close battle. The Raiders were successful in turning back the Jacksonville Teachers 37-31, but, in doing so, ended their winning for a while as they dropped the next six games. First was Murray's fine team who administered a 64-37 shellacking. The Raiders journeyed to Chattanooga only to be disappointed in a play-off as the Moccasins won, 23-21. Being back at home helped little, for the Austin Peay Governors slapped a 40-26 verdict on the locals. A game with Lipscomb

found the Raiders still unable to break their jinx, as the Bisons were victorious by a 56-55 count in a fast and interesting game. Memphis State came from behind to rack up a 37-28 win. Western Kentucky's sharpshooters were too good for the Blue and White, winning 60-33. With Brewington hitting his stride, the Midgetmen were able to defeat Sewanee, 36-29, but lost the next to Delta, 57-35. Murray was again victorious, the score being 51-22. Austin Peay outscored the Raiders, 75-44, but were unable to stop Brewington as he rolled in twenty-eight points. Union outcounted the Raiders, 56-52, in an overtime game. Delta and Memphis State were victorious in the next two games, 62-36 and 54-34, respectively. A three-game winning streak found the Raiders rolling over Sewanee, 35-32, Carson-Newman, 47-19, and Chattanooga, 40-22, as they played their best ball of the entire season. On a trip to the Blue Grass state, Western trimmed the locals, 59-38. A visit by Lipscomb found the Raiders tasting sweet revenge as they brushed aside the Bisons, 45-38. The last game was dropped to Union on the local floor, 45-41, in a hard-fought battle.

SUMMERS—Guard

LITTLE—Guard

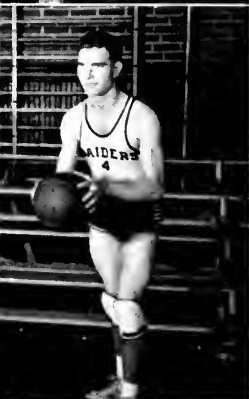

SCHLEICHER—Forward

FRESHMAN BASKETBALL

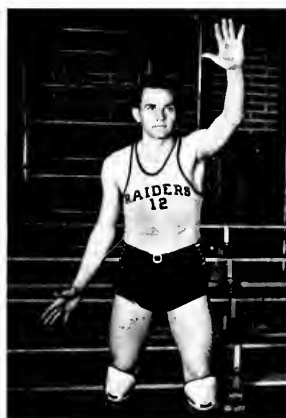

Coach O. L. Freeman continued his successful basketball career by winning twelve out of sixteen games. The frosh proved to be a good defensive team as well as an exceptionally good offensive team. They held their opponents to a 29.9 average while racking up a forty-point average for themselves. Leading the scoring for the frosh was Maury Smartt, who dropped in 190 points. He was followed by Fay Brewington with 150 and Henry Brandon with 112. Boonie Simmons and Dorris Smartt, while not heavy scorers, came in for their share of honors through their defensive play, for a "goal saved is the same as a goal made." The rest of the squad should also be commended for their fine play.

MEN'S INTRAMURALS

Men's intramurals under the guidance of Director Nance Jordan consists of a wide and varied program. Beginning with touch football in the fall and continuing through the class track meet in the spring, the program affords exercise and entertainment for the non-competitors in the school's inter-collegiate sports.

Practically every sport is touched in the program, with the most interest being shown in basketball and track. The basketball tournament was won this year by the N. Y. A. team, which rolled up 104 points to their opponents, 61. Second place went to the

Outcasts, who were defeated in the finals.

At the close of the tournament, awards were presented to the winners and also to the all-star team composed of Cranor Elrod, Billy Bryant, Elbert Patty, Walter Patterson, Ernest Williams, and Wesley Gilley.

This year's track meet should prove to be one of the best ever held as the strong sophomore team (winners last year) and the senior team (last year's runners-up) will be back almost intact. But they should find plenty of competition in the freshman team, which boasts of many high school stars of last year.

All-Stars

HELEN WISE, volleyball; MARY E. ARNOLD, basketball; MARY MIZE, volleyball; LOLA TURNER, volleyball; MARJORIE ASTROTH, volleyball; MARY LOUISE BOBO, basketball; ANN JACKSON, basketball; GEDA GILL, basketball; and (center) MARGARET TAYLOR, basketball and volleyball.

WOMEN'S INTRAMURALS

Participation in women's intramurals runs high among the students since there is no form of intercollegiate competition. W. A. A. points go to each student participating in any of the sports, and a certain number of points entitles the student to special awards, including monograms, sweaters, and medals.

The major sports for the fall and winter quarters are volleyball and basketball. Under the able leadership of class managers Jessie Mai Todd, Sybil Shipp, Adelyn Stegall, and Kitty Startup, the double round-robin volleyball tournament reached the halfway mark with the juniors leading with three straight

Special Awards

Left to right—FRANCES LOVE, letter — sweater; MARGARET TAYLOR, W. A. A. medal; MARY MIZE, letter — sweater; and GEDA GILL, letter — sweater. (ROBBIE TURNER, who also received a W. A. A. medal, was not present when picture was made.)

Volleyball

Left to right—TURNER, WYSONG, MIZE, BARBER, HAMBLEEN, STEGALL, SMITH, CRANE, VAUGHN, WISE, E. JACKSON, McCAMPBELL, LOVE, FAGAN, TAYLOR, FORBES, HOOVER, COLLINS, CURREY, GILL, TODD, AKIN, BURNETT, BAKER, PHILLIPS, A. JACKSON, ABERNATHY, BOBO, and ASTROTH.

wins, the freshmen coming second with two wins and one loss. The tournament terminated with the junior capture of the volleyball crown and the selection of four all-star players from the junior class.

The class teams faced each other on the basketball court for two weeks, beginning February 13, with Jessie Mai Todd, Mary

Graham, Lillian Burnett, and Sarah Virginia Abernathy serving as managers. The first round gave no indication as to whom the title might go. Each team had lost one game and had won one game. The sophomores, however, took the title and ranked high with three all-stars chosen from their team.

Outstanding among spring activities are

Basketball

First row — WYSONG, TODD, MITCHELL, TURNER, BAKER, and FORBES.

Second row — HOOVER, A. JACKSON, LOVE, BARBER, TAYLOR, WISE, SMITH, and FAGAN.

Third row — STEGALL, CRANE, AKIN, HAMBLEEN, BURNETT, GILL, CURREY, T. HILL, COLLINS, and M. HILL.

Softball

First row — McCAMPBELL, WISE, TURNER, WYSONG, TODD, BAKER, and MIZE.

Second row — PHILLIPS, FAGAN, VAUGHN, ASTROTH, LOVE, BOBO, and GILL.

Third row — TAYLOR, BURNETT, JACKSON, PATTON, BROWN, ABERNATHY, THOMAS, and STEGALL.

softball, field and track, tennis, and horse-shoe pitching. Softball practice began April 7 with Lola Turner, Marguerite Odil, Jean Smith, and Sarah Virginia Abernathy serving as team managers. On April 26, as this book went to press, the juniors and sophomores were deadlocked with three wins and one loss each.

Among the field and track events in the program are the shot put, javelin, discus, high and broad jump, dashes, and relays. All-stars are recognized in accordance with individual participation and placement. The track meet, as well as the tennis and horse-shoe tournaments, is scheduled for May, too late for results to be published here.

Tennis

*Seated—*PATTON, SMITH, GILL, LOVE, JACKSON, BAKER, BURNETT, CUREY, BARBER, TODD, WISE, COLLINS, and HAMBLIN.

*Standing—*GARNER, ABERNATHY, ARNOLD, TAYLOR, WYSONG, MIZE, BOBO, TURNER, NELSON, ODIL, STEGALL, PASCHALL, and McCAMPBELL.

ORGANIZATIONS

A. C. E.

The Association for Childhood Education, an organization that is open to all students interested in elementary education, is affiliated with the national and state organizations. The purpose of this association is to train the teachers of young children to the improved educational opportunities. The theme for the year's work is "Child Training Through the Teacher's Development in the Handicrafts" with corresponding demonstrations in the various crafts.

MIDLANDER

According to authorities the purpose of the yearbook is to present one year of educational history, in an interesting manner and permanently bound for future reference, giving in word and picture the story of the college year. It is to this end the staff of the 1941 MIDLANDER has worked. Treatment of the book, on the whole, shows much informality, which, the staff believes, adds to its appeal to the students.

SIDELINES

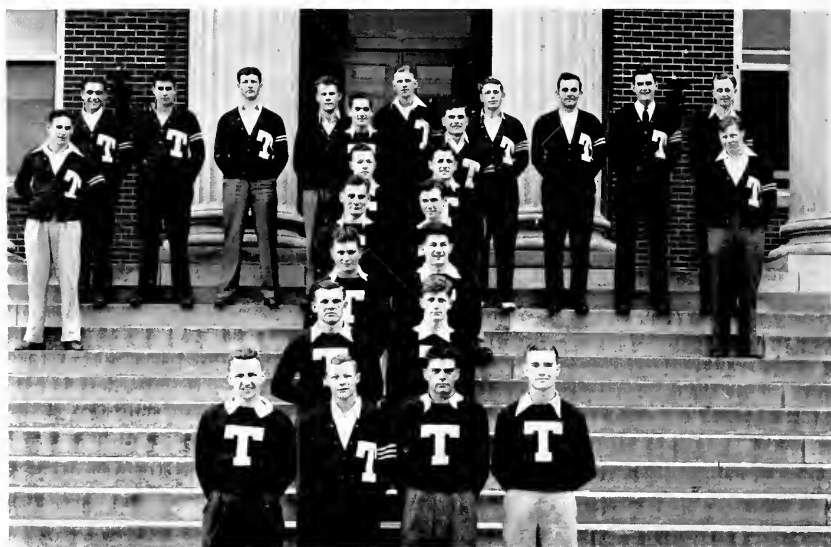

The *Sidelines* is the school publication both for the students on the campus and for the non-resident alumni. This paper contains the major issues and activities that take place on the campus. Also, the work on the *Sidelines* staff affords those who are interested in journalism an excellent opportunity to develop their ability.

"T" CLUB

This organization, which is composed of men athletes who have lettered in one of the major sports, has two purposes: to provide enjoyment for its members and to improve the standards of athletics. This year the "T" Club sponsored an amateur night, musical revue, and also a banquet and dance attended by high school athletes from Tennessee and adjoining states. Membership in this club, which includes letter men and the active coaching staff, is continuous.

W. A. A.

The purpose of the Women's Athletic Association is to develop good sportsmanship, cooperation, and an active interest in sports.

The eligibility for becoming a member of this club is to have at least one hundred points, which are obtained through active participation in intramural contests. After having received fifteen hundred points, a member receives the school letter, and to those who acquire two thousand points a W. A. A. medal is given.

ORCHESTRA

The objectives of this organization are twofold, namely: mutual improvement and pleasure for the members and benefit to the school and community musically.

Throughout the year the orchestra, under the direction of Mrs. Sanders, renders classical orchestrations.

In keeping with a somewhat recent precedent the orchestra climaxed its year with a concert on May 9, with Eric Sorantin as the guest conductor.

GIRLS' GLEE CLUB

In the Girls' Glee Club those students who do not take the regular music courses may find an outlet for their talents. One derives rich experiences as well as much pleasure in participating in this club. Under the direction of Miss E. May Saunders, the club gives numerous concerts throughout the year which include classical, semi-classical, and sometimes popular music. The concluding feature of the year is the commencement music.

MEN'S GLEE CLUB

The Men's Glee Club has had the largest membership and the most successful season it has experienced in the last several years. The voices as a whole have much better quality and have improved steadily under the leadership of Miss E. May Saunders. Among the numerous contributions of this club have been two concerts given before the student body and several performances for the public.

TAU OMICRON

Tau Omicron, an honorary society for girls, was organized in 1930. It strives to promote scholarship and to uphold the standards and ideals of this institution. Membership by election is based on leadership, scholarship, and character.

There are three regular meetings each quarter—social, educational, and business. The society sponsors the freshman orientation program and the "Big Sister" plan.

This year Tau Omicron celebrated its tenth anniversary.

SIGMA CLUB

The Sigma Club of S. T. C. grew out of the Research Club which was founded in 1925 by Mr. Neal Frazier. It is an honorary organization composed of serious-minded men working along intellectual lines and worthy aims. The club now has a total membership of two hundred.

N. Y. A.

The National Youth Administration organization was installed here in 1939 as a means of aiding ambitious students to complete their college work. Since its origin, this organization has become one of the most powerful groups on the campus. The N. Y. A. is not an extracurricular activity—it is really for work. Among the many improvements made by the group are the football stadium, the cafeteria extension, and the air field and hangar.

FORENSIC CLUB

The objectives of this club are as follows: to promote interest in problems of social importance, to improve the power of logical reasoning, to aid in the evaluation of ideas, and to develop effective presentation of these ideas. Emphasis has been placed upon debate, oratorical speaking, after-dinner speaking, impromptu and extemporaneous speaking.

Representatives of the club have won several honors this year in the state and other tournaments.

SCIENCE CLUB

The science students of S. T. C., being conscious of the rapid progress in the scientific world and at the same time realizing a need for an agency outside of the classroom which would promote an active interest in scientific research and developments, organize a science club each year.

The present club has sponsored a series of chapel programs dealing with consumer education and motion pictures on scientific subjects.

HOME ECONOMICS CLUB

The Home Economics Club strives to bring about better social contacts between the students, to improve school and home life, to set high standards for college girls, and to give girls a knowledge of the formation and functioning of clubs that will be useful in teaching home economics.

This year the club had a Christmas party and later a colonial party at which the members were dressed according to the particular era.

DRAMATIC CLUB

Under the direction of Mr. Edward L. Tarpley the Dramatic Club has gained this year much widespread recognition through the production of the following plays: "Our Town," "Abie's Irish Rose," "Romeo and Juliet," "Night Must Fall," and "Men in White." There is much assurance that the present status of this club shall maintain its prominence if not excel other clubs on the campus.

STUDENT CHRISTIAN UNION

The Student Christian Union, which is affiliated with the Tennessee Christian Association, is an organization open to all students. The vesper services each Sunday evening, the mid-weekly devotionals held in each dormitory, and the Religious Emphasis week are sponsored by this organization.

With the purpose of providing a working religious body which will make the students more conscious of the spiritual value essential to a happy life, the Student Christian Union exists. It is under the guidance of a faculty religious committee composed of Dr. Lewis, Miss Mitchell, Mr. Gracy, and Mr. Frazier.

Summer Group

Seated—HUNTER, *Instructor*; CALDWELL, *Instructor*; LORRAINE BUTREY, *Secretary, Miller Flying School*; and GUS STADLER, *Instructor*.

Standing—GEORGE BOCK, ROY NORTH, BILL MCGILL, CHARLES HALLUMS, JACK KIMBRO, BOSE BUCHANAN, LESTER CARVER, MADISON DILL, RAY THOMAS, C. S. OWEN, and FRANK WOMACK.

C. P. T. CLUB

Gathered around the hangar and watching anxiously every move of the lone plane soaring above, stands a small group of student pilots while one of their number is making his first solo flight. Immediately upon landing the excited novice is congratulated and at the same time reminded that everybody about him is to have a "coke" on him. Thus is pictured the work of the Civilian Pilot Training course, which made its appearance on the campus June 10, 1940, with an enrollment of fifteen students.

The following two groups brought the total membership of the C. P. T. Club to fifty-five students, thirty-one of whom have completed the thirty-five flying-hour course, passed both flight and ground school tests, and now hold private licenses. Some of those who have finished the primary course are taking advanced training at other institutions.

Since the beginning of the course a thousand-dollar hangar has been constructed, and it is hoped that next year the school air field will be improved to prepare for advanced aviation courses here.

Winter Group

Seated—Gus Stadler, Instructor, and Jack Caldwell, Instructor.

Standing—Frank Sheppard, Bill Working, Thomas Holland, Leroy Elliott, Warner Woodmore, Charles Dickey, Sam Bone, Lawson Jarrell, Ralph Drye, Evan Moss, and William Neeley.

Spring Group

Seated—Caldwell and Hunter.

Standing—Julian Lytle, Burney Lee Tucker, Donald Randolph, Buford Foster, Hugh Delzell, Marie Bone, Burton Nelson, Arthur Scates, Sam Burton, Billy Burch, Horton Tarpley, Frances McBride, Jimmy White, Tony Tamburo, Jimmy Gregory, Downey Kenney, and John DeGeorge.

LIFE AT THE TRAINING SCHOOL

The Training School is a very vital part of the college. It is here that prospective teachers meet children in real situations. It is here that an effort is made to give the children and the college students the best and latest in content and pro-

cedure. The Training School endeavors to make its classrooms, its various activities, and its daily routine as nearly lifelike as possible. It endeavors to place the children in an atmosphere which is informal, free, and conducive to happiness and best effort. These pictures represent a cross section of the work of the school and the activities carried on outside the classroom.

STUDENT COUNCIL

BILL BELL.....	<i>President</i>
BILL EARTHMAN.....	<i>Vice-President</i>
ANNIE LEO GLASS.....	<i>Secretary-Treasurer</i>
FRANCES MILLER.....	<i>Monitor in Chief</i>

The boys and girls participate in the government of the Training School. The student council and the presidents of the four junior high school classes head up the student government organization.

Our Ninety-Eighth Year

**BRADFORD
Furniture Co.**

*Our Fifty-Second Year
in Serving the Public
with Good Furniture*

The MIDLANDER staff wishes to express its appreciation to the following photographers: H. O. Todd, Claude Shacklett, Frank Bridges, and Leo Ferrell. To Mr. Todd for his help in making the feature pictures, to Mr. Shacklett for some excellent action shots of the football games, to Mr. Bridges for the use of several of his prints in the snapshot section and for the administration division sheet, and to Mr. Ferrell, the MIDLANDER photographer, for his wholehearted cooperation in helping us produce the 1941 MIDLANDER.
